

THE VALUE OF AOHNA Membership

When you join the **Alberta Occupational Health Nurses Association (AOHNA)** you can easily offset the cost of your membership with savings and discounts only available to members. Visit aohna.org for more information.

Over \$15,000 Education Dollars

Apply for a number of different grants and scholarships worth over **\$15,000** to use towards continuing education, certification and graduate level studies.

Hundreds of Dollars Reference Materials

Access an extensive library of **free** reference materials and educational resources that would cost **hundreds of dollars a year**.

Over \$700 Member Only Discounts

Exclusive discount savings programs for AOHNA members only, including conference registration, home and auto insurance and office supplies.

Unified Voice

Be part of a unified voice tracking important legislative affairs provincially and nationally.

\$225 Salary Survey

Learn more about OHN compensation and save **\$225** off the non-member rate.

Webinars

Save on live and on-demand continuing education webinars.

Conference Registration

Save on registration for the Annual Conference, the largest meeting of OHN professionals in Western Canada.

Publication Products

Access to the National Standards of Practice and Competencies for OHNs (**\$300 value!**).

Total Estimated Savings = \$5,800+

When you add it all up, an AOHNA membership just makes sense.

Estimated savings based on the average regular member taking advantage of AOHNA membership benefits vs the cost of accessing each of these resources as a non-member individual.
