# AOHNA 2024 Conference

The Alberta Occupational Health Nurses' Association (AOHNA) is a provincial not-for-profit organization with a membership of Registered Nurses in the specialty of Occupational Health Nursing. AOHNA promotes healthy working environments, protecting the health and safety of workers and preventing occupational injuries and illnesses. AOHNA's vision is to provide continuing growth, development and expertise opportunities for OHNs as the authority on integrated health and safety in the workplace.

This sponsorship prospectus highlights different sponsorship packages available to our public and private sector partners to become involved in our 2024 Conference! The theme of this conference is "*The Changing Landscape of Occupational Health & Safety*" recognizing the incredible opportunities for Occupational Health Nurses (OHNs) in Alberta. The 2024 AOHNA Conference is an opportunity for you to celebrate with us as a sponsor and supporter.

OHNs are Registered Nurses (RNs) who have graduated with a Certificate or Diploma from a recognized Occupational Health Nursing program and/or who have achieved the level of COHN(C) with the Canadian Nurses Association. OHNs are committed to ensuring that strong occupational health standards and practices are achieved by working collaboratively with internal key stakeholders / leaders and external regulatory and professional bodies to proactively manage the risks to health and safety within the workplace.

# Sponsorship Opportunities

Align yourself with professionals who are focused on building healthy communities through healthy workers and workplace experiences. At the end of each shift, workers transition to being family and community members...so healthy workers ultimately provide the backbone of healthy communities across Alberta.

On November 14 & 15, 2024, OHNs and allied occupational health professionals will converge for the much anticipated 2024 AOHNA Conference in Edmonton, Alberta!
